Thank you for showing interest in Algoma Christian School.

APPLICATION/REGISTRATION PROCEDURE

The application procedure begins when a family secures an application packet from the school office. The packet includes: Application Procedure Summary, Statement of Faith, Application for Enrollment for each student, and Pastor's Reference with envelope.

When the Application Form is received, along with the \$50.00 application/testing fee, the school will notify the family and arrange a testing date. All potential students should bring a copy of their birth certificate and immunization record to the testing. Testing for kindergarten readiness is generally done at the time of the Kindergarten Roundup.

The family's application packet is considered "received" and dated when the school receives the completed Application Form, the signed Statement of Faith, the Pastor's Reference and the \$150.00 registration fee, and all testing has been completed. All testing and registration fees are non-refundable.

After the testing is completed and the Pastor's Reference has been received, the school will notify the family and arrange an interview, if required. All entering secondary (6-12th grade) students and their parents must attend an interview with the administrator.

If a grade becomes full, the school will continue to release applications for that grade. However, no test or interview will be given unless a vacancy becomes available in the desired grade.

Upon acceptance the family will be given an Enrollment Contract. If the contract is not completed and returned within one week, that space may be made available to another family.

If at any time you have questions regarding your application, please feel free to contact the office personnel.
