“Discipling students to know and apply God’s truths, focusing on Academic excellence, Christ-like character, and Service to others.”

Dear Homeschool Parent(s),

Greetings to you and your family from the Algoma Christian school family. We are excited that you are considering letting your son/daughter play sports here at ACS. As we consider pooling our resources in this area of athletic ministry, it is our privilege to share with you this athletic packet designed especially for the homeschool family.

Here at ACS our school board, administration, faculty and staff are committed to providing a quality Christian education with a God-centered view of life. It is our strong belief that Christ honoring athletics is a huge part of this experience. It is our desire to assist parents in equipping each athlete to live for Christ and to honor Him through sports. We also encourage service to the local church, the community, and finally the world.

This packet contains important information regarding athletics here at ACS. Please take the time to review it carefully. Timely completion of the required forms will result in your athlete being able to make tryouts, or to be added to a roster, in as little time as possible. Since space on a team could be at a premium, returning these forms ASAP is an important step.

If you have any questions after going over this packet, please feel free to call the number above and dial ext. 141. We will be delighted to answer any questions you might have. I cannot tell you how thrilled we are here at the ACS Athletic Department that you are considering letting your athlete become a Knight! We look forward to maximizing this experience for your athlete as we seek to honor our Lord through sports!

In Him (10/10/18),

Timothy M. Quinlan II, BS, ME
Asst. Principal/Athletic Director
Algoma Christian School
